

Letter of Recommendation  
For  
Karl Aghassi, Jr.

I met Karl approximately thirty years ago, early in his career, when I engaged him to reconstruct a somewhat complicated deck on my Newton home. Although we did not have the original plans, Karl was able to use the existing structure as the model to replace the entire structure, adding some improvements to on the original as well.

More recently, I engaged Karl to enlarge and remodel a closet and some shelving at the condo where I now live. With a couple of helpers to assist, he completed the project in a timely and efficient manner. I am very satisfied with the result.

Even more recently, I engaged Karl to do some interior painting in my condo. Again, he did the work in a timely and efficient manner. And again, I am very satisfied with the results.

I have known Karl to be resourceful, creative, and reliable. He is an honest and trustworthy professional. I did not hesitate to give him the keys to my condo so he could have access to begin work at an early hour or in my absence. He takes a great deal of pride in his work product. He always left the work site in a clean, neat condition. Karl is respectful of others. He cares about his client's needs and will put in the extra effort to satisfy them.

Karl recognizes the fact that no one can be expert in everything. He knows his areas of expertise as well as those areas in which he is less than expert. I have found him to be candid when assessing a job. If he needs assistance, he will say so.

Finally, but not least, Karl is a gentleman.

I have no hesitation in recommending Karl. If there are any questions, I can be reached at 978-239-0265.
